APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State Engineer assumes, by the filing of this application, that the source of supply described herein is one which is subject to appropriation under the laws of the State whereby this office obtains jurisdiction. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One fourtieth cubic feet per second. (0.025)

Actual construction work shall begin on or before May 21, 1917.

Proof of commencement of work shall be filed before June 21, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before May 21, 1919.

Application of water to beneficial use shall be made on or before November 21, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 21, 1919.

Canceled JAN - 8 1918 because of failure of applicant to comply with provisions of permit. WITNESS MY HAND AND SEAL this 21st day

of December, 1916.

J G Scraggian
State Engineer.
